

CORES HAN 5.3 Release Notes

These notes describe highlights of the CORES HAN 5.3 release scheduled for Wednesday, December 28, 2022. More information is available through the help in your solution or by contacting Juvare Support at 877-771-0911 or support@juvare.com.

Account Profile

The appearance of account profiles was updated to improve the user experience. Now, it is more intuitive to view and update the accounts to which you have access.

The screenshot shows the 'Juvare Health Alerts' interface. At the top, there's a header with the Juvare logo, 'Juvare Health Alerts', 'Powered by JUVARE', a 'SWITCH BACK' button, and search, help, and settings icons. The main profile section has a purple gradient background. It features a circular profile picture of a woman with brown hair, the name 'Cathy Goes' with an 'Active' status badge, the email 'cgroessl@yahoo.com', and the phone number '+1 404-364-5000'. A '100% Completion' badge is also visible. Below the profile section is a tabbed interface with tabs for 'BASIC INFORMATION', 'CONSENT', 'PERSONAL INFORMATION', 'CONTACT INFORMATION', 'MEMBERSHIP', and 'HAN ROLES'. The 'BASIC INFORMATION' tab is selected, showing form fields for 'Email *' (filled with 'cgroessl@yahoo.com'), 'Prefix', 'First Name *' (filled with 'Cathy'), and 'Middle Name'.

Account Export

The list of accounts for organizations you administer can now be exported in a comma-separated values (CSV) file. Any filters applied to the list are maintained in the export.
