

CORES HAN 5.6 Release Notes

These notes describe highlights of the CORES HAN 5.6 release scheduled for Tuesday, May 23, 2023. More information is available through the help in your solution or by contacting Juvare Support at 877-771-0911 or support@juvare.com.

Inherited Organization Roles

Organization roles can now be cascaded to child organizations, meaning you can manage users and send messages according to your role even when you are not a member of those child organizations.

Document Library Permissions

Document Library permissions were expanded to offer the new *View Documents* option. This permission, assigned to organization roles, allows you to give users access to the library for viewing and downloading files.
