

CORES HAN 5.9.2 Release Notes

These notes describe highlights of the CORES HAN 5.9.2 release scheduled for Wednesday, October 25, 2023. More information is available through the help in your solution or by contacting Juvare Support at 877-771-0911 or support@juvare.com.

Resolutions

- An issue that prevented you from editing the description of an organization with multiple parent organizations was resolved.
- An issue that caused a person's membership status change on a child organization to affect their membership status on associated organizations was resolved. Now, when a person changes their status to *Withdrawn* on a child organization, their membership status on the parent and other child organizations is not affected.
