

EMTrack® 6.1.2 Release Notes

These notes describe enhancements in the EMTrack 6.1.2 release scheduled for Wednesday, February 15, 2023. More information is available through your solution or by contacting the Juvare Support Center at 877-771-0911 or support@juvare.com.

Help Center Upgrade

The EMTrack Help Center, launched within your solution through Help on the upper right, was upgraded to simplify how you search, locate, and print information. Offering technical documentation, release notes, support details, and more, the Help Center is available 24/7/365 to ensure you have access to the information you need, when you need it.
