Regional Logo on Reports

Administrators can now upload their region's logo through *System Settings*, on the *Regional Settings* page, and it will appear on the following reports every time they are generated in the region.

- Individual Patient History
- Patient Log
- Patient Change History
- Contaminated Patient List
- Manifest
- Summary View
- Incident Summary
- Incident Detail
- Policy Acceptance

Resolution

An issue that prevented you from adding text to the instructions element when configuring forms was resolved. Now, when adding the instructions element, a field opens in which you can enter descriptive text instructions.
