WebEOC® Single Sign-On (SSO) 3.1.0 Release Notes

These notes describe enhancements in the Single Sign-On (SSO) 3.1.0 release scheduled for Wednesday, May 31, 2023. More information is available through the help in your solution or by contacting the Juvare Support Center at 877-771-0911 or support@juvare.com.

Resolution

An issue that inadvertently created duplicate user accounts was resolved. This issue occurred because the Authentication ID field was not automatically populated when new users were created during the login process. This field is once again being populated as expected.
