

WebEOC® Release Note

This note describes highlights of the WebEOC Add-on Notifications, 2.4.2, release. More information is available through the [Support Center](#) or by contacting Juvare Support at 877-771-0911 or support@juvare.com.

Resolved Issue

Duplicate Emails

An unspecified issue caused the Add-On Notifications to disseminate duplicate emails to the same recipient. This issue has been resolved.
